

Mold & Die Polishing

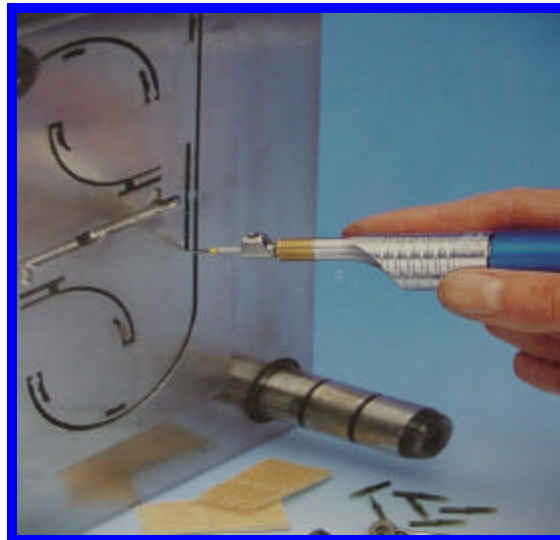

Equipment & Supplies

MINI FILING MACHINES

Lightweight and a thorough ergonomic design results in more effective finishing & polishing work, especially in narrow and difficult to reach places.

The DiProfil Mini Filing Machines are ideally suited for use with diamond plated filing tips. These lightweight handpieces are also ideal for polishing and filing narrow and confined areas.

Purchase the set DPMS or FMR/G series for use with your Minimo or Gesswein power packs. Use the FMR/B series with your flexible drive and motor.

Mini Filer with micromotor specifications:

- Mini Filer:**
- Stroke: .5 or 1.8 mm
- Toolholder: 3.5 mm dia.
- Weight: 120 g
