

Value Kit

Specifications P211 Power Pack	Specifications US21	Specifications M21H/E
Input Volts: 115 AC Output volts: 3-30 DC 80 volts (Polytor) Rated Input: 60 VA	Built-in switch Amplitude: 45 micron Compact & Lightweight	Speed Range: 3K-30K Built-in-switch Torque: High Collet Cap.: 1/8"

The new DiaMold combination kit USDC 2000 not only includes all of the equipment and tools listed at the right, but also includes the following:

- 4 DiaMold 1 x 6 x 100 ceramic stones: A-L-1006M (140 grit), A-O-1006M (180 grit), A-P-1006M (240 grit) and A-R-1006M (1000 grit)
- 1 48-piece set of DiaMold mounted points P/N 299901
- 2 rubber cradles PN RM11
- Standard set of hand tools
- Detachable power cord
- Operation instructions and warranty cards

DiaMold Polytor Handpiece US21

- Compact and light-weight
- *Built-in ON/OFF switch
- *Removable curled power cord makes storage easy and prevents maintenance problems
- Employs an advanced high performance oscillating unit
- *Up to 45 micron amplitude
- **Included:** .6 x 5 x 65 plated 400 grit diamond file with holder
- **Included:** 1.6 x 6 x 39 200 grit sintered diamond file
- **Included:** 1 x 6 x 50 400 grit ceramic stone with holder

DiaMold Polytor Power Pack P211

- 1 output for ultrasonic, 2 additional outputs for d.c. handpieces
- Automatic follow-up sensor detects the optimal resonance frequency for each tool ensuring maximum performance
- *Audible sound for on/off
- *Overload indicator with audible alert
- A wide range of operational frequencies enables various tools to be used
- Reversing switch and speed control are standard equipment

DiaMold Standard Rotary M21H/E

- *Built in on/off switch
- Quick tool change mechanism, no tools required
- *Removable curled power cord
- 3/32" and 1/8" collets, 1 each standard equipment
- Precision balanced motor
- 3,000 to 30,000 rpm speed range

Additional accessories included with this kit
One piece of the following:

- 510.2029 DiaMold lubricant, pint container
- #40 Felt bob assortment
- F5811 Polytor tool holder with wood 3 x 7 x 35
- F5701 Polytor tool holder with brass 2 mm dia.
- 15-MDP DiaMold diamond compound
- 9-MDP DiaMold diamond compound
- 6-MDP DiaMold diamond compound
- 3-MDP DiaMold diamond compound
